

Plews Shadley Racher & Braun LLP tops 2017 *Indiana Super Lawyers Magazine* list with the most lawyers named in the Insurance and Environmental categories

Plews Shadley Racher & Braun LLP is proud to announce that 20 of our lawyers have been recognized by *Indiana Super Lawyers* as ***Super Lawyers and Rising Stars*** in 2017 for achieving a high degree of peer recognition and professional achievement. The annual selections are made using a rigorous multi-phased process that includes a statewide survey of lawyers, an independent research evaluation of candidates and peer reviews by practice area. Only 5% of the lawyers in the state are named by Super Lawyers.
